***All participants are invited to sing together as a choir for a Pan-Orthodox  
Great Vespers that evening at the Annunciation Church.***

*Benedict & Maria Sheehan bring their uniquely complementary skill sets to a weekend workshop tailored to your choir's needs and integrated into your church's liturgical schedule. In intensive sessions they help church musicians of all abilities reach new levels of mastery, with emphasis on how to retain these skills and employ them in an everyday setting. They particularly emphasize the spiritual work of the sacred choral musician, and its connections to ensemble blend, musicianship, expressiveness, attentiveness, and a prayerful ethos.*
